Tally.ERP 9 – Auditors' Edition

Tally believes in the potential of every Chartered Accountant. Presenting Tally.ERP 9 - Auditors' Edition, a powerful tool to help you streamline your clients' businesses, grow your practice... and achieve your full potential.

Tally.ERP 9 - Auditors' Edition coupled with the revolutionary enabling environment, Tally.NET, delivers never-before remote capabilities. So you can access your license with audit tools and your clients' data from anywhere and at any time. Saving you time, energy and allowing you to do a whole lot more. While your practice benefits, your clients using Tally.ERP 9 will benefit too.

How Tally.ERP 9 - Auditors' Edition will impact your practice:
1) In Tax Audit services: Simplifies tax audit facilitation under Section 44AB & generation of Form 3 CA, 3 CB & 3 CD
2) In Statutory Audit services: Financial statements can be prepared as per the Schedule VI in accordance with the Companies Act
3) In Compliance services: Convenient statutory compliance for Direct and Indirect Taxes (TCS, Service Tax, VAT)

Exclusively for practicing Chartered Accountants.

Unlimited multi - user edition

Extra audit features over Tally.ERP 9 Gold.

Transform your practice with Tally.ERP 9 - Auditors' Edition
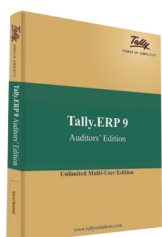

Improve Efficiency	Grow Your Practice
• Generate Schedule VI Balance Sheet and Profit & Loss Account • Operations like Cut, Paste and Undo have been provided to classify / reclassify groups in Schedule VI financial statements • Audit working papers and Audit Program within Auditors' Edition • Generate annexure under Section 44AB for Clause 16, Clause 17(h), Clause 21, Clause 24(a & b) & Clause 27. Print Form 3 CA, 3 CB & 3 CD • Scrutinise as per type of audit or compliance you are undertaking (focused audit) • View & verify tax liability via an all-in-one dashboard • Get automatic exception report of every ledger/voucher and potentially incorrect entries flagged (even an indication of what the error is) • Send your clients exception reports & get their clarifications • Help clients file various tax returns by verifying documents quickly • Provide instant assistance & training to your article clerks • Overcome shortage of article clerks by better utilisation of existing resources • Critical info can be received by SMS too...	• Offer training services to your clients to help them better use IT and Tally.ERP 9 in their businesses, thereby enhancing operational efficiency • Make sure your clients are in conformance with laws on a regular basis through continuous compliance services • Establish outsourcing services in receivables & payables • Advise clients and help implement improved business systems & practices, business processes etc. • Implement product features: VAT, Service Tax, TDS, Excise, Payroll etc.
